“Redefining Air Transport for a New Era”

Africa's Biggest Airline CEOs' Conference

The African Airlines Association (AFRAA) will hold its 52nd Annual General Assembly (AGA) and the African Air Transport Summit in virtual format from 09-10 November 2020. The theme for this year's AGA is 'Redefining Air Transport for a New Era'.

Join over 500 high profile African and global aviation leaders to draw the roadmap for a successful restart and recovery of the air transport industry.

Exciting marketing opportunities through sponsorship and exhibition!
