

African-Skies

AFRAA's panaffrican Journal on Air Transport, Issue N56,
August - October 2025

As we look to the future, I am filled with optimism. The African aviation industry is resilient, ambitious, and innovative.

But success will require unity of purpose. We must continue to speak with one voice, advocate collectively, and leverage our continental strengths. ”

Abderahmane Berthé
Secretary General, AFRAA
